

Bloxwich Golf Club

Local contractor Hearnshaws of Walsall contacted us as their client was looking for an alternative to a more expensive woven product. Our in-house team produced a design that met the criteria of the client. The carpet was produced on time and on budget.

The carpet was designed in such a way to enable by side matching across the widths.

- All carpets made by us at our factory in Kidderminster
- We offer a full design and colour service from our in-house team
